

Dear Coaches, Players and Families,

The 1st Annual Manon Rheume Invitational Hockey Tournament is just 6 weeks away! We are very happy that you will be attending the tournament.

We are excited to add to the uniqueness of the event by offering a banquet on Friday night, November 13th, at the Sheraton Novi. The banquet will begin at 7:00 pm, with doors opening at 6:00 pm. There will be guest speakers, featuring Mark Johnson from the United States Women's Olympic Team, as well as current team member Caitlin Cahow. Throughout the evening there will be autograph opportunities, raffles, silent auctions, and photograph sessions with the guests of honor. There will also be a number of vendors and event sponsors on hand that evening offering various products and services.

We hope you will attend our banquet on Friday night. Space is limited, so we are asking teams to place their order for tickets within the next 2 weeks. **Tickets are only \$20 for players (which includes a special gift retailing at \$35) and \$25 for all other attendees.** Payment will include a three course meal and entertainment for the evening. (We will be offering a vegetarian option as well.)

We are requesting that each team places one order for tickets. To make your reservation please complete the attached document with your team name, player/coaches name, number of quests per player/coach (along with any vegetarian dishes requested) and credit card information and email it back to Lindsay Brink at l.brink@tntedm.com . **Orders and payment are due by Monday, October 19th, but please keep in mind that reservations are made on a first come, first serve basis.**

Please contact Lindsay Brink at 248-982-9047, or l.brink@tntedm.com with any questions regarding the banquet. We look forward to seeing you in November, and know that you will have a fantastic weekend of hockey.

Regards,

A handwritten signature in black ink that reads "Manon Rheume". The signature is written in a cursive style with a large, looped initial "M" and a long, sweeping underline.
