Hockey has been a big part of my life. I am the first and only woman to have played in an NHL game with the Tampa Bay Lightning. I was with the Canadian National Team from 1992-1999, a two-time World Championship gold medalist and was part of the first women's Canadian Olympic team in Nagano, Japan. I have experienced amazing moments in hockey, but the most satisfying part of my career is to be able to inspire young girls with my story. Because of this, I have decided to create a foundation to help young women achieve their dreams by providing scholarships to them. You can learn more about my foundation at [www.manonrheumefoundation.org](http://www.manonrheumefoundation.org).

I have recently developed a partnership with Titan Sports to create an International Girls Hockey Tournament held from November 10-13, 2011 in Farmington Hills, Michigan. This tournament is "invite only" at the 19UAAA, 17UAAA, U14AAA and U12AAA levels. We are sending invitations to the best teams in the United States and Canada as well as multiple U18 European National Teams. Your organization has been chosen as a premier team and we would like to have you play in our tournament. The deadline to reserve your spot is June 1, 2011 and a deposit of \$500 will be due on July 1, 2011. The remaining balance of \$595 will be due on October 1, 2011.

For information on the tournament contact Joe Jones at [jjones@suburbanice.com](mailto:jjones@suburbanice.com) or call him at 248-479-1139.

We look forward to having you as a part of this highly competitive hockey tournament. We would also like to thank you in advance for being a part of my foundation, giving back to young women.
